Buitenhuis

10 years!

Buitenhuis is for people who are hungry. And people with plans. This is where thoughts are spoken out loud. Around these tables, conversations begin that last longer than intended, and that's exactly the point. For 10 years and counting.

Paul's Boutique

The name of our bites section is a nod to the second album by the Beastie Boys, also called Paul's Boutique. One of the owners of Brasserie Groep is a big fan, and the original album even has a place of honour in our display cabinet.

Since our head chef is also named Paul, it's no coincidence that this section is called Paul's Boutique. Here, Chef Paul shows what he does best: small dishes crafted with care, full of flavour and creativity!
